Subject:- Netaji Research Bureau - Request for release
for Foreign Exchange for collection of
material relating to Netaji Subhas Chandra
Bose.

Extract of Notes from File No. 3(120)EC/60 of the
Ministry of Finance

Ref. S.No. ()

In this connection US(EC) may kindly see
note from p.9/ante. We may agree to the revalidation
of sanction for the release of foreign exchange to the
extent of Rs.5,000/-. Before we do so M/EA may kindly
see.

Min. of Finance U.O.No.3(120)/EC/60 dated 28-11-68

Ministry of External Affairs
(East Asia Division)

It is seen from S.No.12 that the request is for
remittance of Rs.500/- only. As such, it is not
understood why the Department of Economic Affairs
propose to revalidate the sanction to the extent of
Rs.5000/- ! Obviously, that Department has overlooked
the request contained in S.No.12.

The Ministry of External Affairs recommends
that the release of foreign exchange of Rs.500/- may
be authorised.

My dear Vasudevan,

Please refer to Shri T.J. Ramakrishnan's D.O. letter No. F.3(120)EC/60 dated 25th April, 1965 regarding release of foreign exchange to the extent of Rs.5000/- in favour of Netaji Research Bureau, Calcutta, for import of a documentary film from Japan. The Bureau have since advised our Calcutta office that they could not utilise the exchange permit for Rs.5000/- granted to them as the negotiations with the Japanese party fell through. They have, however, now applied for permission to remit Rs.500.00 to Japan towards cost of certain documentary materials already collected by their representative in that country.

We enclose the relative papers for your perusal and return and shall be glad to know whether Government are agreeable to our releasing exchange to the Bureau, as applied for.

Yours Sincerely,

Sd/- N.K. Datta

NETAJI RESEARCH BUREAU
AN INSTITUTE OF HISTORY AND POLITICS
NETAJI BHAWAN

38/2, Lala Lajpat Rai Road, Calcutta 20.

No.11/1221/68

June 5, 1968.

The Deputy Controller,
Exchange Control Department,
Reserve Bank of India,
Netaji Subhas Road,
Calcutta-1.

Sub: Foreign Exchange for collection of research
materials relating to Netaji Subhas Chandra
Bose.

Dear Sir,

Please find herewith copy of your letter No. Ref. CA.EC.TPM.1405/494-65 dated the 20th May, 1965 releasing foreign exchange to the extent of Rs.5000/- to Netaji Research Bureau for the import of a documentary film on Netaji Bose from Japan. We did not use the permit at the time as negotiations made on our behalf with the party in Japan fell through.

2. Now, a large number of documentary and photographic material of great historical and research value have been collected on our behalf by our representative in Tokyo. These materials are particularly important for the documentary history of the Azad Hind Movement on which this Bureau is now working. The total expenditure on the items already collected, according to the present rate of exchange, works out to Rs.500/- approximately. If you so desire, I shall be happy to send you a detailed list of the items in question.

3. I request that in view of the fact that foreign exchange to the extent of ;.5000/- had already been released to us in 1965 for importing documentary material of Netaji Bose and that the permit was not utilised by us for very valid reasons, foreign exchange for a limited sum of Rs.500/- only may please be released to us for remittance to Japan immediately against documentary material already collected.

Early action in the matter will oblige.

Yours faithfully,

Sd/- Dr. Sisir K. Bose
Executive Director.
